15	Rivera
16	Foster
21	Montserrat
27	Comrie
28	Jennings
30	Gallagher
31	Sanders
34	Reyna

Blood level testing data obtained from the NYC Department of Health preliminary data, as of July, 2001 at the ZIP Code level. NYPIRG converted this data to the City Council District level. This might lead to some discrepancies between the numbers shown by the Dept. of Health, and those shown on this map.
